Hollywood-themed tent camp

Tent camp on the outskirts of the village on the theme of Hollywood

Project description

Conducting a Hollywood-themed tent camp in a field on the outskirts of our village.

By means of a trailer and various promotional activities, we advertised our participation in the camp in advance. At the beginning of the camp, we planned a big party with a bouncy castle and all sorts of other attractions. In order to advertise this, we went out on Saturday morning to advertise again at various places in the village. The festival was concluded by a praise service. A short film was made over three days, edited during the second part of the camp while the participants went on a three-day walk, and shown to parents and interested parties on the evening of Saturday 12 July.
