## **Johnny Appleseed Prayersong**

Cool song to start or finish the meal.

#### **Songtext**

Oooooooooooooo, The Lord is good to me. And so I thank the Lord. For giving me the things I need: The sun, the rain and the appleseed; the Lord is good to me. Amen, amen, amen, Amen!

You can hold on the Ooooooooh till you have all attention from the children/teenagers and leaders (or if you are out of breath).
