

# Bankruptcy

In this game, the goal is to collect as much money as possible. The one who has accumulated the most money has won.

After that, a "good" link can be made on the subject of money, earthly possessions. Possible Bible passages could be:

[Matthew 6:19-21](#), [Matthew 6:26](#)

## Play Dates

- **Age:** 7+ years
- **Number:** 12+
- **Gelände:** Forest, hügelige Gelände
- **Lead:** 1
- **Duration:** 60 - 90min

## Material

- Barrier tape
- Bundles for Räuber
- Play money (made of paper, wooden blocks, ...)
- Each two Bündel per group

## Preparation

Before the game, the group quarters and the coal mine must be cordoned off. The game money must be available

## Gameplay

\*The children are divided into groups.

\*When the children arrive at their quarters, they can identify two robbers. These will be given a ribbon.

\*When the game is started by the game leader, all the children can go to the "coal mine" and earn money there by doing a sports activity (see Ideas for posts). They are to take this money to their quarters, where it will then be safe.

\*The two robbers can catch the other children during this time and steal the money from them. (As a variation, you can include a "rich man" who is played by a leader. This one has a bag full of money and all the robbers can catch him. So they can win a big bonus depending.)

## Closing the game

The game can be stopped simply by the game master, or only after a certain amount of money has been collected.

## Ideas for posts

Sporting activities:

- Skate a distance
- Run piggyback a distance
- Liegestützen
- Complete a distance using the "carrette" (someone holds one by the ankles and the other walks on their hands.)
- For example, collect 5 pine cones
- 10 Bäume berühren
- ...

## Rules of the Game

- The Räuber cannot catch each other.
- Räuber must keep about 10m distance from the coal mine.
- The Räuber can catch the others with a touch.
- The children are allowed to carry max. 2 pieces of money. The Räuber max. 4 (Exception with the patient of the "rich man". In this case, everything can be taken.)
