

Tinker accountant

This book holder is guaranteed to catch the eye and is also very practical and inexpensive, because it prevents the books from falling over.

Material

- 1x base plate (130x130x5mm)
- 1x wall (170x130x5mm)
- 1x side panel (according to the file "bookkeeper_template_man.jpg")
- Saw
- Wood glue
- Possibly some paints, if you want to paint it

Building instructions

Saw out the base plate, the wall and the side part using the indicated sizes.

||

Transfer the template below to the wood and saw it out.

||

Then sand all parts and glue them together.
