"When peace conquers violence!" Under this motto we deal on the one hand with the topic of violence, and on the other hand with the power of peace:

- Forms of physical and psychological violence
- Days of violence - the oppressed
- Defence against violence
- Why it pays to refrain from violence
- Is peace possible?
- Catalysts for peace
- Models in history who fought for peace

As a background and guide for program design, we can consult Revelation.
