Jungschar taster afternoon

Taster afternoon of the Jungschar Benaja Seedorf with:

- ropeway
- big rope bridge
- picnic

Experiencing history: Hebrews/Egyptians with the plagues that go with it

Plan of execution:

Reconnoitre the field in pairs, define exactly where is which post. Run the course with all leaders, explain the procedure

08.00 h gathering of leaders in Aspiwald

1st group sets up ropeway and large rope bridge, test!
2nd group sets up all other posts

12.00 Picnic - If necessary, continue setting up

14.00 Welcome at the restaurant Aspi

Theatre: leader dressed as a cook turns up, says he has just resigned as he only ever had to do "dirty work" and discussions with the boss were pointless. But he doesn't want to complain, he has heard that the Hebrews used to have it much worse. Another leader, disguised as a Hebrew comes and confirms this. He tells us that he is Moses and that God wanted to help the Hebrews, that's why he had commissioned him to lead them out of Egypt. But it was not so easy, we are supposed to follow him he shows us what all happened before the exodus from Egypt.

Direction first post run, divide into groups (form in advance), determine group leader (cell phone's) leader comes dressed as Egyptian. Pharaoh won't let us go just like that, because of Moses/God they would have had to go through 10th plagues! We are now to experience those too.

14.30 Explain, have to follow signposts, let groups walk off with some distance, Egyptian "entertains" the waiting groups
