Over the course of the year there are many dates for parents, children and leaders. These are often linked to school holidays and other church events. So it is worthwhile to keep the overview with a simple representation.

While parents and children alike enjoy beautiful [program flyers](#) that are suitable for invitations, additional annual or biannual schedules are handy, especially since they can be given well in advance. On the parents' version you will find all the Jungschar events marked.

Leaders have far more dates to deal with. On a leader year plan all possible official leader dates are registered, from the Regi prayer to the delivery of the J&S documents. With a uniform document one saves the leaders and oneself the search for the agreed upon date. Furthermore, information about the dates of the association courses can be a good reminder to participate.

Under Template you will find a yearly plan template from 2015 to 2020.

## Online calendar

In addition to the annual plan, a Jungschar online calendar can be created. These have the advantage that they can be provided with a reminder and thus parents and children can be reminded of the Jungschar event right away themselves via mobile phone/computer.
