

# Tent inventory

The tidying up of the tents causes trouble for many leaders. Here are a few tips on how to tidy up and inventory lists for the most common group tents

## General tips

- Not mix tents when setting up and breaking off (best to mark poles with colored insulating tape!)
- The tents always Clean and Trockne (mold) provide. If necessary, dry as soon as possible.
- Separate awning poles and tent poles (mark awning double, tent poles single)
- Fold all tents together the same way
- Place tent bags under the outer tent after pitching
