Warehouse buildings

In tent camps it is important to be able to build a functioning infrastructure. This article provides an overview of possible camp buildings. The camp buildings have to be adapted to different aspects:

camp duration, camp size, camp site, age of the participants, season and fun of building

As the name suggests, the optional infrastructure is not absolutely necessary for a functioning camp. It can only be set up during the course of the camp, e.g. in the form of workshops

Basic infrastructure

- Cooker
- storage toilet
- Sleeping tents
- Washing facility
- Assembly tent (e.g. Sarasani)

Optional infrastructure

Timber buildings

- Tower
- Timber bridge
- Soccer goals

Kitchen

- Cooking tent
- Oven
- Bach refrigerator

Fun & Recreation

- Sauna
- Hollywood swing

- Volleyball court

Water

- Bathing facilities
- Shower
