Mini Game Cards

What could be better on a Jungscharn afternoon than a good portion of mini-games? Apart from a brilliant input and the classic "Schoggibanane" for Zvieri actually almost nothing. Although I hope that every youth group leader knows many such mini-games, unfortunately the same games are often played, or even worse, no game comes to mind at the moment
Therefore it offers itself to arrange mini Game Cards.

The way to such Mini-Game Cards is visibly easy and is great fun.

1. Look for funny games in books and on the internet.

2. Divide these games into different categories (wild games, quiet games, etc.)

3. Consider from what age the game is suitable and how long it lasts.

4. Choose a motivated and creative mini-leader in the authority of your office and make him the knight of creative ideas.

5. This person will then do the main part of the work and design the cards.

If, however, you don't feel like or have time for this work, simply download the Mini-Game Cards our Jungschar, edit them even more to your liking, print them out and laminate them and the whole spit is done.
