AR Study Guide 01

Aren't you always on the lookout for new ideas to make the Bible dear to children? Sometimes ideas are there, but there isn't time to do them. Riddles offer a way to introduce children to the Bible through play. At the same time, existing knowledge is refreshed and new knowledge is learned. Depending on their type and content, riddles can be used as an introduction to enliven a Bible study, or for repetition.

This article contains 17 riddles. They lead across the New Testament and may be copied as desired. Thus they form a useful addition to devotions Bible stories and Bible studies in children's worship, Sunday school, young people's groups and in recreational work. The basis for all the puzzles is the revised 1984 Luther Bible.
