Fox and squirrel

This is a seat-of-the-pants game that requires everyone's full attention. Everyone can win or everyone can lose.

Material

- 3 balls - it would be convenient if one ball is different from the other two

Procedure

The participants line up in a circle. The aim of the game is to save the squirrel (=ball) from the two foxes (=2 balls) and at the same time catch the squirrel with the foxes. The foxes may only be passed from one to the other in the circle, while the squirrel may jump.
