Do you notice anything? / Do you notice anything?

This is an observation game.

Material

- No material is needed for this game

Gameplay

Two rows face each other, always two vis à vis. First, the two children look closely at each other. One turns around and the other changes something about himself (e.g. button up, roll up sleeve, ...) and then calls out to the one again. This one turns around and now tries to find the "change". (Change, swap partners)
