Blupp-blupp

This game is meant to spread kindness.

Material

- Eye pads for all - but it also works without.

Gameplay

All players walk around the room with their eyes closed (or eyes are blindfolded). If two then meet, they greet each other with "Blupp-Blupp". After some time, one player is chosen by the game leader to be the head fish, who then has to stand still and is not allowed to say anything. If the head fish is greeted by another fish, he strokes it. He then also becomes the head fish and is only allowed to stroke.
