## Who am I?

A guessing game in which participants must use specific yesno questions to figure out their assigned animal.

#### **Material**

Animal name tags or pictures

#### **Procedure**

Each player gets an animal pinned on his back (clearly visible for the others). It is now each person's task to find out their own identity by asking yes-no questions about the possible animal. One person is allowed to ask until a question has to be answered with no. If this happens, the next person has to answer with yes. If this happens, it is the turn of the next person.
