

# Creation-Alphabeth

The Creation Alphabeth is a playful way for children to explore the topic of "God as Creator".

## Material

- Printed template with the alphabet or at least paper where you can write the alphabet on
- 1 pen/child

## Possible game variants

### Variation 1

You can play the game as a competition: Who has written down an animal name for all the letters first?

### Variation 2

Another option is to use it as a single post during a post run, where the children are asked to write down an animal name for each letter.
