Educational vessel family

Educational miscellany - How Jesus trained his "team" to become evangelists

Family, a great training ground

Goals

In the "family" container, people sometimes move closer together. Suddenly there is a change of scenery again. But whatever the circumstances provide: education in responsibility before God pursues goals.

Learning from each other

Taking and giving

From the "bag of tricks" of Jesus

- Demonstrate, recite, explain
- Deriving the unknown from the known
- Images, object lessons
- Challenging questions, dialogs, debates
- Telling stories
- Setting problems and tasks
- Practical experimentation
- Testing

Perhaps you would like to add to the list?
