Game explanation

Find gifts for Jesus

We know the names and house numbers of these dealers. We go to them and can buy the item.

Find the whereabouts of Jesus

But the gifts do not bring us anything if we do not know where Jesus is. We have to ask passers-by if they know something. In a letter we have tips and addresses to whom we can contact.

We seek them out and will learn something from them where Jesus is. With some you can be of help and thus earn some money.

Herod's minions

Be careful and avoid Herod's henchmen, you will recognize them through (...).
They caught you when they patted a person in the group three times on the back. Then you have to face the patrol and you will be searched for revealing objects.

It has been observed that they are very keen on baby things, it is rumored that Herod is looking for an approximately 2-year-old baby. How so? You don't know exactly, but I'm sure he has something bad in mind. So hide the baby things as best as possible. If they find baby things, take them away from you.

Aside from that, the henchmen get very measly wages, often something can be made of it. Sometimes you can bribe them. But be careful with that ...
