

Chocolate fruit skewers

Make fruit skewers coated with chocolate

Material

- Cardboard plates
- Shish kebabs (wooden barbecue skewers)
- Miscellaneous fruits (e.g. bananas, apples, pineapples, strawberries, oranges)
- scaffold knife
- Cutting board
- Chocolate
- some milk
- pan/pot
- Stirring ladle
- Scoop ladle
- Eatable decorating material (e.g. sugar balls, sugar sprinkles, shredded coconut, etc.)

Instructions

- The children can prepare fruits, cut them into pieces and put them on a skewer as they like
- Melt chocolate with a little milk
- Pour the chocolate over the skewers
- Decorate the skewers (e.g. with sugar balls, sugar sprinkles, coconut flakes etc.)

Tips

- Have the kids somewhat in view when decorating the skewers, otherwise they may spill a lot of sugar on the skewers, as you can see from our photos;-)
