# Sheep made of yarn

Idea for a sheep made of yarn

Instructions:

- Children get two patterns for the legs and one for the head

- Begin to wrap the legs with yarn, passing through the hole in the middle

- Once enough yarn has been wrapped (it needs to be a slightly larger amount so it can look fluffy) the yarn needs to cut out. The yarn is cut in the outer side between the two patterns.

- The face can be glued with hot glue

- You can use eyes which you can also glue with hot glue
