Amy's Prayer (EPA Afternoon Programme 6)

In the new quarter of our EPA season, we are starting with a new theme that is related to different short stories. They involve children and animals that God uses in amazing ways. The next story we will look at is about a little girl who really wanted to have blue eyes like her mother.

Introduction

We begin with a welcome rules and preface and introduce the children to the new topic.

History

We then continue with the story which can be found here https://www.youngstarswiki.org/bg/wiki/art/kratki-istorii-programa-trim...

Verse

The verse to learn is John 14:13. You can make the verse look like a puzzle and do it for 2 or 3 groups. This way you can hide the pieces around town and have them marked with some kind of marking which could be tape, a flag or something else. That way when the groups find all their pieces they will know there are missing pieces and will have to combine with the other groups.

Big game

The big game can be found here

Treat

The treat can be of your choice.

Praise and sharing

We continue with the praise and sharing. Sharing has a key message " God has the best plan for you!"
