# In a safe place- EPA afternoon programme №4

This season, we will look at the story of William Tyndale, who translated the Bible from Hebrew into English. Through this story, we will be able to show children the importance of the Word and that we should be thankful to have it in a language that is accessible to us. We will experience different things that are part of the story.

Our key message for today's theme is "God cares about me even when I'm in danger."

The Pocket Game can be of your choice

Introduction

We begin with a welcome, rules and preface and introduce the children to the new topic.

History

We continue with the story from the chapter "In a Safe Place". We are only telling the beginning

Play with Seahorses

Draw on card stock for foal cards. A rope is stretched, and it is desirable to place it at an incline. Clips are put on the cardboard and it is placed on the rope. Just by touching the rope, the foal should be moved from one end to the other. The winner is the one who moves the foal faster on the rope and the one who has less foal fallen off.

History

Tell the rest of the chapter or you can make a skit.
