Sketch

Girl is super proud of her heart. She also likes to show this to everyone.

While showing this to everyone she meets a photographer + photo model. Photomodel poses and girl wants this too. Photomodel + photographer want to have her heart and the girl does nothing. Photomodel also walks around with a tape measure, confirmation that she is too fat. Heart is crumpled by photographer and photo model. Girl picks up her heart, smoothes it out and walks around somewhat confused with her heart.

While walking, she comes across a rich person (lots of blingbling and money). She sees the same, and asks him/her if she can have some of that money. This can only be done in exchange for her heart. When she has the money in her hands she throws it in the air for joy. The rich person pushes har aside and throws the heart crumpled on the ground. The girl arranges and quickly picks up her heart again. Smoothes it again and looks disappointed. She is already more afraid to give her heart to someone else.

She walks around again and comes across someone with liquor. That seems tasty to her and she wants a sip. The one with liquor asks for her heart, but she doesn't want to give it at first. The one with liquor then tries to seduce her and she finally gives in. The girl gets a small cup and quickly drinks it and wants more and tries to take the bottle the other person has. The one with the bottle of liquor is

not happy about this and throws the heart on the ground and runs over it. The girl is very shocked. No not her heart again!

She sits down on a wall (or something else) and a cute boy comes and sits next to her. He tries to seduce her, but she refuses. But he doesn't give up and eventually he manages to get the heart. They are totally in love and suddenly another girl walks by and drops her coat/jumper/scarf. The boy runs after the other girl and returns the object that has fallen. He then also runs on with the other girl. The other girl feels in his coat pocket and feels the girl's heart, and she tears it up. The heart girl looks startled and slowly begins to sob. She looks at her torn heart, picks it up and walks past the people, they turn their backs on her and want nothing more to do with her.

She walks on with her torn heart and falls to the ground and begins to cry (running into the wall). At this Jesus appears and begins to pray for her that she stop crying. He talks to her asking for her torn heart and gives her back a complete and beautiful heart with a cross on it.

After this they both walk away hand in hand/ shoulder to shoulder.
