

Youth+Sport

Youth and Sport is an organization in Switzerland that supports Swiss sports and youth clubs in their work

Areas

Youth and Sport is active in many areas of sport. However, the two most important areas for Youngstars work are

- Camp sports/trekking (mainly camps)
- Unihockey

[A full listing of areas can be found on the Youth and Sport homepage.](#)

Bearing

Many Youngstars camps in Switzerland are run with the help of Youth and Sport. This results in the following advantages:

- Material (e.g. canvas, ropes) can be borrowed practically free of charge (60 Rp/kg)
- Youth and Sport will pay a contribution towards expenses for each child registered. (6 CHF per child per camp day)

But so that such a camp can be carried out, must be in each camp at least one leader with the recognition Y+S II (camp leader) and a leader with the recognition Y+S I (camp staff). Likewise, two hours of camp sports and two hours of camp activities or one more camp sport must be carried out per day

[The detailed instructions for the implementation of camps under Youth+Sport can be found here.](#)

Only camps that are held in Switzerland can be registered with the Y+S.
