Carrot head slingshot

The "Fox" carrot head slingshot is a small, handy carrot head slingshot. It can easily be taken anywhere.

Since the "Fox" carrot head slingshot was developed for the BESJ and Juropa, and the plans were drawn and optimized in hours of work, the plans on the Internet are not quite complete. Members of a BESJ group or YoungstarsInternational can obtain the missing plans free of charge from the BESJ.

All other interested parties can obtain the missing plans for a contribution towards expenses of CHF 50.

Please contact the e-mail address given on the plan.

The instructions for building the Mohrenkopfschleuder can be found in the PDF files.

Have fun!!!

Rent or buy

The "Fox" carrot head slingshot can be hired from the BESJ store or purchased while stocks last. www.shop.besj.ch or call 044 - 850 69 52.
