

Chairing

A fun game for spinners in which you try to catch a small object behind a chair with your mouth.

kein Bild vorhanden

Materials

- a chair (must be stable)
- a small object that you can put in your mouth

Procedure

- Place the small object behind the chair between the hind legs or next to the leg on the inside.
- Try to pick up the object with your mouth without touching the floor. Once you have placed the object next to the leg, you need to move around the other side of the chair back.
- Sit back down on the chair.
