Make your own guitar plates

How to easily make guitar plates from old iTunes or credit cards.

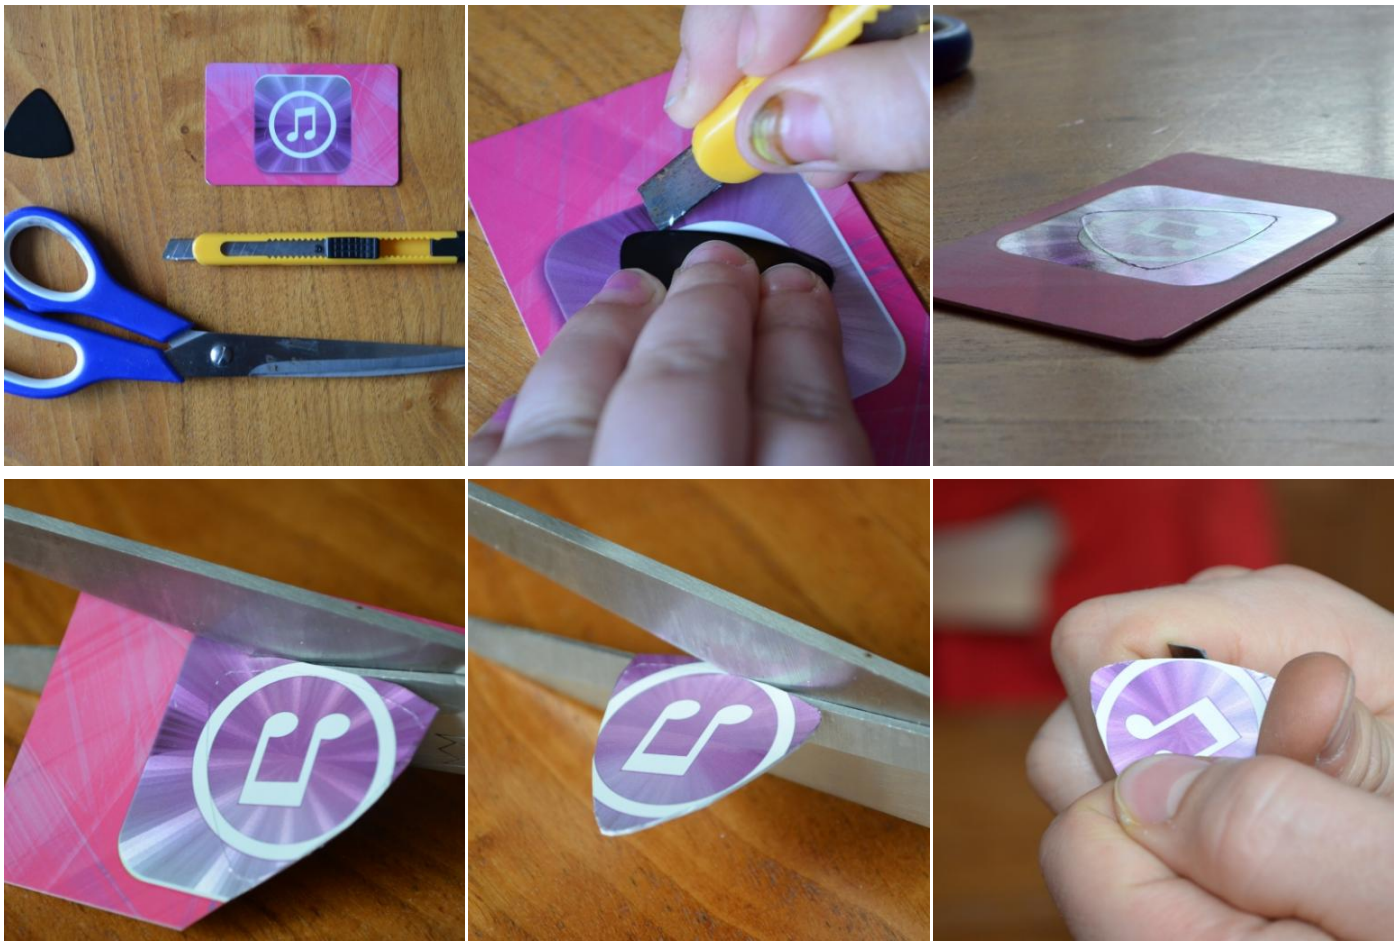

This craft idea is perfect for an afternoon of recycling.

Materials

- Scissors
- Japanese knife
- old iTunes or credit cards
- Guitar tokens

Procedure

1. Place the guitar plate on the iTunes or credit card and trace the edge with the Japanese knife (or with a waterproof felt-tip pen).
2. Cut along the contour with the scissors.
3. Remove any corners and curves with the Japanese knife.
4. Done!
