Rattle made from beer mats

How you can easily make a rattle out of beaver lids.

It can be made on a recycling afternoon.

Material

- Beer mat
- Cork taps
- Wooden sticks
- Eels
- Carpet pad
- Glue

Procedure

1. Poke holes in the beer mats with the eel.
2. Stick two cork cones together with a short wooden stick. *
3. Insert two longer wooden sticks on both sides. *
4. Thread the beer mats onto the wooden sticks and close with a cork *. (on both sides)

* If necessary, glue the inside together with glue.
