

Fuchs und Eichhörnchen

Das ist ein Hosensackspiel, das die volle Aufmerksamkeit von allen verlangt. Dabei können alle gewinnen oder alle verlieren.

Material

- 3 balls - it would be convenient if one ball is different from the other two

Procedure

The participants line up in a circle. The aim of the game is to save the squirrel (=ball) from the two foxes (=2 balls) and at the same time catch the squirrel with the foxes. The foxes may only be passed from one to the other in the circle, while the squirrel may jump.
