

## David Livingstone

Abenteuer mit der Jungschar EXPLORER, Uznach

Jungscharprogramm, dazu eingeladen: nichtgläubige Jugendliche

### 3 afternoons with lots of adventures

#### Goals for the kids

#### Spiritual

The non-believing TN consciously consider whether they want to choose Jesus now.

The believing TN consider what they want to accomplish in the next few months/years (i.e., what plan God seems to have).

#### Character development

The participants (TN) have a longer-term goal in mind.

The TNs set priorities for themselves.

#### Outdoor technique

The TNs experience a rappel and possibly a climb.

The participants can do the figure eight sling.
