

## Dartpfeil erstellen

Hier findest du eine Anleitung um mit einer Nadel, 4 Streichhölzer, ein wenig Faden und einem Stück Papier einen Dartpfeil zu erstellen.

### Material

- 1 needle
- 4 matches
- 1 piece of paper
- a little thread

### Instructions

Cut the head off the 4 matches.

||

Tie them together so that the needle is in the middle of the 4 matches.

||

Fold the paper afterwards. It must be folded twice in the middle and once diagonally.

||

Push the paper in at the back end of the matches. And you're done!
